here!!

My Sister B'nai Brith Girls,

As summer winds down and school picks up again, so does the 2010-2011 programming term! So let me be the first to welcome you to this year. For those of you who don't know me, my name is Allison Numerow and I am your regional N'siah, or president. I am from Calgary, in grade 12, love BBG, am a proud member of Zahav Circle of Gold #2139 and will work my hardest to make sure this year will be an unforgettable one!

Let me begin by saying that if you ever have any questions, concerns, comments or you just want to chat, please do not hesitate to call me. I would looove to talk to you. I am very easy to get a hold so you can use Facebook, email, snail mail, skype, my home or cell phone, or msn (if any of you still have it!). All my contact info is to the left if you want it.

Although this year seems like it has barely begun, the hard work and planning is well under way! Along with my counterpart Mike Finestone, we are working to coordinate the first convention of the year, the Regional Leadership Training Convention, for all chapter and regional board members. Also, in my next release I will be sending out all of the applications for chair-positions (Ie. Israel Awareness chairwoman, Mind Body Attitude chairwoman, Sunshine Girl, Save the Sisterhood chairwoman). I will also include the application to coordinate the first region-wide convention of the year, Sisterhood! Start thinking of conventions you want to coordinate and positions you want to applied for. If you have a passion for a particular chair-position, I strongly encourage you to apply! These provide such incredible opportunities for leadership and are a lot of fun too.

Please keep in mind that I am here to be your friend and help you in ANY way possible; so use me and abuse me baby. So here's to a fantastic year to come, I hope you are all as stoked as I am.

Submitted with undying love for:

Camp BB, summer nights, summer days, My Favorite Ice Cream Shop, Zahav #2139, NWC #87, the AZAs, ALL of the BBGs, and this coming year

I remain,

Allison Rachel Numerow
